MEMORANDUM FOR ALL 155<sup>th</sup> AIR REFUELING WING (ARW) UNITS/ACTIVITIES

FROM: 155<sup>th</sup> ARW/CC

SUBJECT: 155<sup>th</sup> Environmental Commitment Statement for CY 2013

1. At the direction of the President of the United States and Governor of Nebraska, the Nebraska Air National Guard provides trained and equipped organizations to protect life and property, preserve peace, order, public safety, and support national defense. The Nebraska Air National Guard, 155<sup>th</sup> Air Refueling Wing will perform this mission in concert with our stewardship responsibility to protect and conserve the environment: We commit to:
  - a. Comply with or exceed all applicable environmental policy, laws, regulations, and requirements.
  - b. Prevention of Pollution through the use of P2 in all of our actions.
  - c. Assess the effects on the environment of activities, products, and services throughout their lifecycles. Set objectives and targets to minimize adverse environmental impacts. Implement and monitor programs to achieve objectives and targets.
  - d. Actively pursue continual improvement.
  - e. Utilizing the Environmental Management System (EMS) as our tool to review our programs, and the Environmental, Safety, and Occupational Health Council as the management body to review and guide the EMS process.
2. Give this policy the widest dissemination and post copies of the policy in shops, work areas, and on unit bulletin boards as appropriate. This statement is available to the public through the NEANG public website at [www.neang.com](http://www.neang.com). Communicate this statement throughout all 155<sup>th</sup> ARW units and activities, as it serves as the foundation for establishing and operating the 155<sup>th</sup> EMS process.
3. This environmental commitment statement is reviewed annually to ensure it remains appropriate to the nature, scale, and overall scope of 155<sup>th</sup> ARW activities.
4. Notify contractors performing projects, services, and supplying products to the 155<sup>th</sup> ARW of the environmental policy statement, and allow access to the policy.
