

Fellow Traveler,

Welcome to the Nebraska Air National Guard Passenger Terminal in Lincoln, NE. Although we are not a full scale Aerial Port, the Air Transportation Function is committed to providing you with the best service possible. Our passenger agents and aircrews are dedicated professionals who take great pride in what they do. This base does not have on base billeting or a full service base transportation system. However, we at the air terminal are here to provide you with the information to continue your journey. We hope you enjoy your stay and this information helps you continue on to your desired destination. We bid you a safe journey.
